ORDER DISMISSING APPEALS

These are proper person appeals from an order of the district court dismissing post-conviction petitions for writs of habeas corpus. Second Judicial District Court, Washoe County; Steven R. Kosach, Judge. We elect to consolidate these appeals for disposition.<sup>1</sup>

Our review of these appeals reveals jurisdictional defects. Specifically, the district court entered its order denying appellant's petitions on February 2, 2006. The district court served notice of entry of that order on appellant on February 6, 2006. Appellant did not file the notice of appeal, however, until October 12, 2006, well after the expiration

<sup>1</sup>See NRAP 3(b). We have considered all proper person documents submitted in this matter and conclude no relief is warranted.

of the thirty-day appeal period prescribed by NRS 34.575. An untimely notice of appeal fails to vest jurisdiction in this court.<sup>2</sup> Accordingly, we conclude that we lack jurisdiction to consider these appeals, and we

ORDER these appeals DISMISSED.
