ORDER DISMISSING APPEAL

This is a proper person appeal from a district court order denying appellant's petition for a writ of mandamus.

On March 28, 2007, this court issued an order directing appellant, among other things, to serve respondent with the notice of appeal and opening brief. On April 17, 2007, a copy of the order addressed to appellant was returned to this court as undeliverable, with no forwarding address. On May 18, 2007, this court issued an order to show cause why this appeal should not be dismissed as abandoned. On June 1, 2007, a copy of the order addressed to appellant was returned to this court as undeliverable, with no forwarding address. Because appellant appears to have moved and failed to notify this court of any address change, thus leaving this court unable to communicate with him, it appears that appellant has abandoned this appeal. Accordingly, we dismiss this appeal.

It is so ORDERED.
