ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioners seek an order compelling the district court to resolve a petition for a writ of mandamus filed in the district court. Petitioners further seek an order directing that a transcript for July 14, 1995, be made available for copying at petitioners' expense.

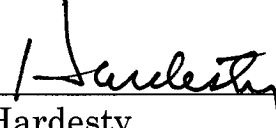

We have reviewed the documents before this court, and we conclude that this court's intervention is not warranted at this time.¹ Petitioners should litigate the claim for access to the transcripts in the district court. We are confident that the district court will resolve all pending matters as expeditiously as its calendar permits and enter any final, written orders memorializing its decisions. If the district court has
