ORDER DENYING PETITION

This original petition for a writ of mandamus requests this court to stay petitioner's incarceration in the county jail, which is a condition of his probation, until his motion to withdraw his guilty plea is decided in the district court. We have considered the petition, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time. See NRAP 21(b). Accordingly, we deny the petition.

It is so ORDERED.
