ORDER DENYING PETITION AND DENYING MOTION FOR STAY

This original petition for a writ of mandamus challenges a district court order approving and adopting the report and recommendations of the probate commissioner that, in part, ordered that no autopsy be performed on petitioner's deceased spouse and allowing the immediate cremation of the deceased spouse. We have considered the petition, and we are not satisfied that this court's intervention by way of

extraordinary relief is warranted at this time. See NRAP 21(b).
Accordingly, we deny the petition.¹

It is so ORDERED.

Veronica M. Sisinger
Eighth District Court Clerk

¹Petitioner has also moved for a stay of the cremation pending this court's decision on writ petition. In light of the instant order resolving the writ petition, we deny the motion for stay as moot.
