TRACIE K. LINDEMAN  
CLERK OF SUPREME COURT  
BY   
DEPUTY CLERK

ORDER DISMISSING APPEAL AND  
REMANDING TO THE DISTRICT COURT

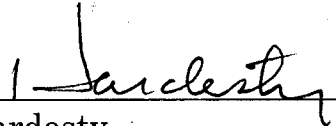

Pursuant to the settlement conference, appellant's motion for remand<sup>1</sup> and cause appearing, we dismiss this appeal. NRAP 42(b). This matter is remanded to the district court to conduct appropriate proceedings, if any, to alter, amend, or vacate its order or judgment as necessary for the parties to fulfill the terms of their settlement agreement.

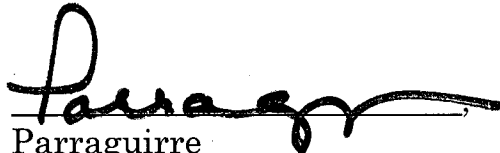

---

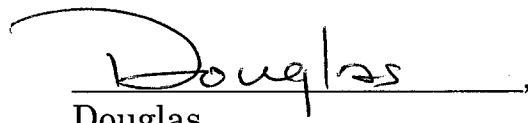

<sup>1</sup> Appellant filed a "Request for Huneycutt Remand," indicating that the parties have agreed to a settlement which includes a stipulation to "vacate all orders and judgments in this case and dismiss all claims with prejudice." Appellant requests that this matter be remanded to the district, pursuant to its certification, to effectuate the settlement agreement. We elect to treat the motion as a motion for remand and for voluntary dismissal of this appeal.

In the event the district court declines to grant the requested relief, appellant may file a motion to reinstate this appeal.

It is so ORDERED.
