ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order compelling the district court to respond to petitions for writs of mandamus filed in the district court. Petitioner argues that the district court should have responded to the petitions within thirty days pursuant to NRS 34.185. Based upon our review of the documents before this court, we conclude that this court's intervention is not warranted.<sup>1</sup> The statutory time period set forth in NRS 34.185 does not apply to appellant's petitions because the petitions did not challenge a prior restraint related to the First Amendment of the United States Constitution or Section 9 of Article 1 of the Nevada Constitution. We are

confident that the district court will resolve all matters as expeditiously as its calendar permits. Accordingly, we

ORDER the petition DENIED.
