ORDER DENYING PETITION

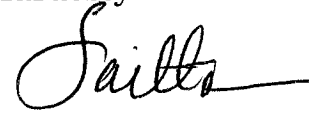

This is a proper person petition for a writ of certiorari. Petitioner requests that this court review the decision of the district court to deny relief on a post-conviction petition for a writ of habeas corpus and motion to withdraw a guilty plea. We have considered the documents before this court, and we conclude that no relief is warranted at this time. Petitioner has an adequate legal remedy by way of an appeal from the

denial of the petition and motion.¹ Accordingly, we

ORDER the petition DENIED.²
