ORDER DISMISSING APPEAL

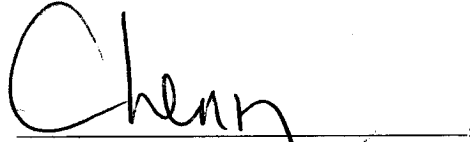

This is an appeal from a district court order denying a motion to modify a child support obligation. First Judicial District Court, Carson City; James Todd Russell, Judge.

On January 7, 2008, this court remanded this matter to the district court pursuant to Huneycutt v. Huneycutt, 94 Nev. 79, 575 P.2d 585 (1978), for the limited purpose of resolving a motion for relief from the appealed order regarding child support. As directed, appellant filed several status reports, the most recent of which was filed on October 28, 2008. The October 28 status report indicated that the Nevada Attorney General was to re-audit the records of the Carson City District Attorney's Office, appellant was to respond, and a hearing on the matter was to be scheduled.

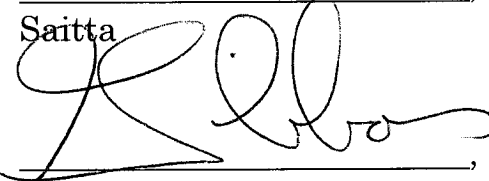

Consequently, on December 19, 2008, this court entered an order giving appellant 15 days to file in this court either a new report regarding the status of the district court proceedings on limited remand or a stipulation to dismiss the appeal as moot. To date, appellant has not responded to our directive. Accordingly, in light of appellant's failure to

comply with our December 19 order, we conclude that appellant has abandoned this appeal, and we

ORDER this appeal DISMISSED.
