ORDER DISMISSING APPEAL

This is a proper person appeal from an order of the district court denying a motion to dismiss count of indictment for failure to state a claim and order denying a motion for appointment of counsel. Eighth Judicial District Court, Clark County; Kenneth C. Cory, Judge.

Our review of this appeal reveals a jurisdictional defect. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists.¹ No statute or court rule provides for an appeal from an order denying the aforementioned motions. Accordingly, we

ORDER this appeal DISMISSED.
