ORDER DENYING PETITION

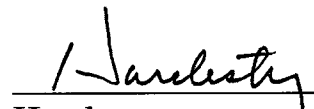

This is a proper person petition for a writ of habeas corpus. Petitioner challenges the validity of his judgment of conviction and sentence and federalizes claims previously raised in a post-conviction petition for a writ of habeas corpus. We have reviewed all documents submitted to this court, and we conclude that this court's extraordinary review is not warranted. A challenge to the validity of the judgment of conviction and sentence must be raised in a post-conviction petition for a

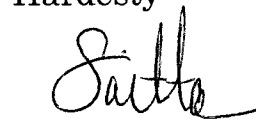

writ of habeas corpus filed in the district court in the first instance.<sup>1</sup>

Accordingly, we

ORDER the petition DENIED.
