ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order compelling the district court to act and render a decision on a motion to correct or modify a sentence pending in the district court. We have reviewed the documents before this court, and we conclude that this court's intervention is not warranted at this time.¹ We are confident that the district court will resolve all pending matters as expeditiously as its calendar permits. Accordingly, we

ORDER the petition DENIED.
