ORDER DISMISSING APPEAL

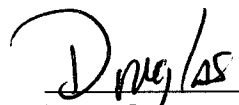

This is a proper person appeal from a district court order dismissing appellant's complaint.

On October 2, 2007, we entered an order that, among other things, granted appellant's motion for an extension of time to file his civil proper person appeal statement. That order gave appellant thirty days from the date of that order to file and serve his civil proper person appeal statement. Our October 2 order further cautioned appellant that his failure to file his civil proper person appeal statement within that time period may result in the dismissal of his appeal. Appellant's civil proper person appeal statement was due on November 1, 2007. To date, appellant has not filed his civil proper person appeal statement with this court. Accordingly, we conclude that appellant has abandoned this appeal, and we

ORDER this appeal DISMISSED.
