ORDER DISMISSING APPEAL

This is a proper person appeal from a district court order denying motions to modify writs of attachment, to show cause, and to appear telephonically. Eighth Judicial District Court, Clark County; Douglas W. Herndon, Judge.

Our review of this appeal reveals a jurisdictional defect. The right to appeal is statutory; thus, where no statute or court rule provides for an appeal, no right to appeal exists. No statute or court rule provides for an appeal from an order denying motions to modify writs of attachment,¹ to show cause, and to appear telephonically.² Accordingly, we conclude that we lack jurisdiction to consider this appeal, and we

ORDER this appeal DISMISSED.
