ORDER DENYING PETITION

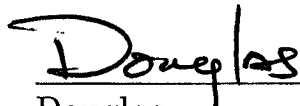

This is a proper person petition for a writ of mandamus and a writ of prohibition. Petitioner seeks an order arresting the proceedings in the district court until his retained counsel is restored and permitted to argue a motion to withdraw a guilty plea, an order directing the district court to provide transcripts at state expense, and an order removing Judge Jackie Glass from the case pending in the district court. We have reviewed all documents submitted to this court, and we conclude that this

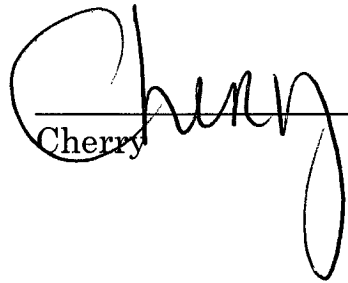

court's intervention in this matter is not warranted at this time.¹

Accordingly, we

ORDER the petition DENIED.
