ORDER DENYING PETITION

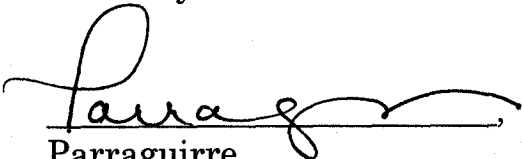

This original petition for a writ of mandamus challenges the district court's denial of petitioner's motion to dismiss a criminal indictment. Eighth Judicial District Court, Clark County; Michael Villani, Judge.

We have considered the petition on file herein, and we deny relief because we conclude that petitioner did not satisfy the requirements of NRS 172.241(2)(b) in asserting his right to testify before the grand jury. Accordingly, we

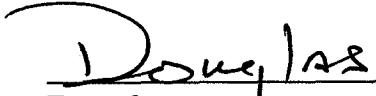

ORDER the petition DENIED.
