ORDER DISMISSING APPEALS AND REMANDING

These are consolidated appeals from a district court judgment in a contract action and an order denying attorney fees and costs. Eighth Judicial District Court, Clark County; Kenneth C. Cory, Judge.

On July 6, 2009, the parties filed a stipulation to dismiss these appeals and a joint motion asking this court to remand these matters to the district court to take whatever action may be required by the parties' agreement. We approve the parties' stipulation and grant the motion, hereby dismissing these appeals and remanding these matters to the district court. The appeals' dismissal is without prejudice to appellants'

right to file a motion to reinstate these appeals should the district court decline to grant the requested relief.

It is so ORDERED.
