ORDER DENYING PETITION

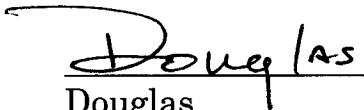

This is a proper person petition for a writ of mandamus, or alternatively, a writ of prohibition. Petitioner seeks an order compelling the district court to grant a motion to dismiss the grand jury indictment and adhere to the Justice Court's ruling suppressing evidence. We have considered the documents submitted in this matter, and we conclude that this court's intervention in this matter is not warranted at this time. Petitioner has an adequate legal remedy by way of a direct appeal if

petitioner is convicted of the charged offenses.<sup>1</sup> Accordingly, we

ORDER the petition DENIED.
