ORDER DISMISSING APPEAL

This is a proper person appeal from a default judgment in a forfeiture action. Eighth Judicial District Court, Clark County; Sally L. Loehrer, Judge.

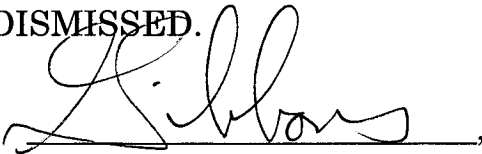

On May 8, 2008, we entered an order directing appellant to properly serve his notice of appeal on respondent's counsel. Our May 8 order further directed appellant to file a properly completed certificate of service for his notice of appeal in this court. Appellant's certificate of service was due in this court on June 9, 2008.

On June 10, 2008, after the time for serving the notice of appeal and filing the certificate of service had passed, appellant requested copies of his notice of appeal to serve on respondent. Three copies of the notice of appeal were mailed to him that same day. To date, appellant has not filed his certificate of service or otherwise complied with the directives of our May 8, 2008, order. Our May 8 order cautioned appellant that his failure to comply with the directives in that order might result in the dismissal of his appeal. Accordingly, in light of appellant's failure to

comply with our May 8 order, we conclude that appellant has abandoned this appeal, and we

ORDER this appeal DISMISSED.
