ORDER DENYING PETITION

This petition for a writ of mandamus challenges the denial of petitioner's motions for an investigator at public expense.

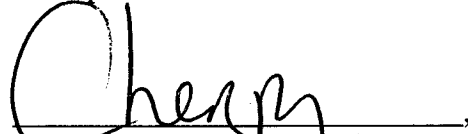

On February 27, 2008, real party in interest, the State of Nevada, filed a motion to dismiss the petition. Petitioner opposed the motion to dismiss. We have considered the petition, and we are not satisfied that this court's intervention by way of extraordinary relief is

warranted at this time.¹ Accordingly, we grant the State's motion to dismiss and we

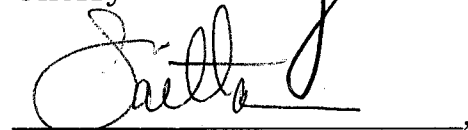

ORDER the petition DENIED.
