ORDER DENYING PETITION

This is a proper person petition for a writ of prohibition, or alternatively, a writ of mandamus. Petitioner seeks an order preventing the Nevada Department of Corrections from preparing and submitting inmate files to the Parole Board prior to the final consecutive sentence to be served because petitioner does not believe institutional parole exists in Nevada. We have reviewed the documents before this court, and we conclude that this court's intervention is not warranted.¹ Accordingly, we ORDER the petition DENIED.
