ORDER DISMISSING APPEAL

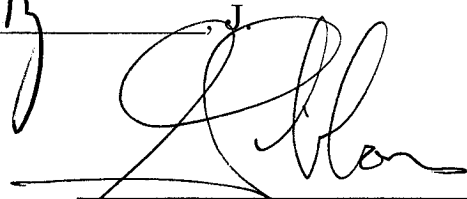

This is a proper person appeal from a district court order granting a preliminary injunction and appointing a receiver. Eighth Judicial District Court, Clark County; Mark R. Denton, Judge.

On May 7, 2009, this court entered an order that, among other things, noted that, based on appellant's failure to comply with our prior orders, it appeared that he may have abandoned this appeal. Accordingly, we directed appellant to show cause, within ten days of that order's date, as to why this appeal should not be dismissed as abandoned. Our May 7 order cautioned appellant that his failure to respond to this court's directive may result in the dismissal of his appeal. Appellant's response was due to be filed in this court by May 18, 2009. Appellant, however, has failed to file any response to our May 7 order. Accordingly, we conclude that appellant has abandoned this appeal, and we

ORDER this appeal DISMISSED.
