vs.

ORDER OF AFFIRMANCE

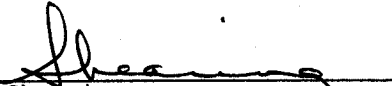

Docket No. 33937 is a proper person appeal from an order of the district court denying appellant's post-conviction petition for a writ of habeas corpus. Docket No. 34590 is a proper person appeal from an order of the district court denying appellant's petition for a writ of mandate. We elect to consolidate these appeals for disposition. See NRAP 3(b).

Docket No. 33937

On November 17, 1998, appellant filed a proper person post-conviction petition for a writ of habeas corpus in the district court challenging matters arising out of a prison disciplinary action in which he lost canteen privileges and was required to forfeiture of property. Specifically, appellant claimed that his due process rights were violated because: (1) he was denied a disciplinary hearing within a reasonable time after charges had been filed; (2) he was denied his right to present witnesses and evidence at the hearing; and (3) he had to forfeit his property without being afforded a fair and impartial

unwarranted. See Lockett v. Warden, 91 Nev. 681, 682, 541 P.2d 910, 911 (1975), cert. denied, 423 U.S. 1077 (1976). Accordingly, we affirm the orders of the district court.

It is so ORDERED.<sup>1</sup>
