ORDER DISMISSING APPEAL

This is a proper person appeal from a district court order dismissing an appeal from a justice's court order. Eighth Judicial District Court, Clark County; James M. Bixler, Judge.

Our review of the documents submitted to this court pursuant to NRAP 3(e) reveals a jurisdictional defect. District courts have final appellate jurisdiction over cases arising in the justice's courts.¹ Accordingly, as we lack jurisdiction over this appeal, we

ORDER this appeal DISMISSED.²

¹Nev. Const. art. 6, § 6; see also Waugh v. Casazza, 85 Nev. 520, 521, 458 P.2d 359, 360 (1969) (noting that "[t]he district court has final appellate jurisdiction in cases arising in the justice's court").

²Appellant's failure to pay the filing fee or demonstrate compliance with NRAP 24(a) constitutes an independent basis for dismissing this appeal. Additionally, in light of this order, we deny as moot all requests for relief pending in this appeal. Moreover, appellant need not file the civil proper person appeal statement or transcript request form mailed to him on February 4, 2008.
