ORDER DISMISSING APPEAL

This is a proper person appeal from an order of the district court concerning spousal support. In granting a divorce, the district court "[m]ay award such alimony to the wife or to the husband, in a specified principal sum or as specified periodic payments, as appears just and equitable." NRS 125.150(1)(a); see Wolff v. Wolff, 112 Nev. 1355, 929 P.2d 916 (1996) (holding that an award of spousal support will not be disturbed on appeal unless it appears from the record that the district court abused its discretion). Having reviewed the record on appeal, we conclude that the district court did not abuse its discretion in awarding spousal support to respondent in the amount of \$300.00 per month for eighteen months. Accordingly, we

ORDER this appeal dismissed.
