ORDER DENYING PETITION

This is a proper person petition for a writ of habeas corpus. Petitioner challenges the validity of his judgment of conviction and sentence. We have reviewed the proper person documents submitted in this matter, and we conclude that no relief is warranted. A challenge to the validity of the judgment of conviction and sentence should be raised in a post-conviction for a writ of habeas corpus filed in the district court in the first instance.¹ Accordingly, we

ORDER the petition DENIED.
