ORDER DISMISSING APPEAL

This is a proper person appeal from an order granting respondent's motion to strike appellant's request for trial de novo as a sanction for failure to participate in good faith during arbitration. We have reviewed the record, and we conclude that the district court did not abuse its discretion. See *Casino Properties, Inc. v. Andrews*, 112 Nev. 132, 911 P.2d 1181 (1996). Accordingly, we

ORDER this appeal dismissed.<sup>1</sup>

<sup>1</sup>Although appellant was not granted leave to file papers in proper person, see NRAP 46(b), we have considered the proper person documents received from appellant. We direct the clerk of the court to return respondent's supplement to the record on appeal, because it is outside the record and respondent did not make a motion to supplement the record.
