ORDER DISMISSING APPEAL

This is an appeal from a purported judgment of the district court. Eighth Judicial District Court, Clark County; Lee A. Gates, Judge.

Our review of this appeal reveals a jurisdictional defect. Appellant purports to appeal from a judgment of conviction in district court case number C237679. However, our review of the record on appeal reveals that no such judgment has been filed. It appears from the documents before this court that appellant has not been convicted of the pending criminal charges and, in fact, his jury trial is currently scheduled for April 29, 2008. Therefore, this appeal is premature.<sup>1</sup> Because appellant did not designate an appealable order in this case, we lack
