ORDER DENYING PETITION

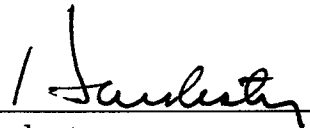

This is a proper person petition for a writ of mandamus. Petitioner complains that the district court has not considered or resolved his petition for a writ of habeas corpus filed in the district court on October 9, 2007; thus, petitioner seeks an order directing the district court to grant his petition. We have considered the documents submitted in this matter, and we conclude that this court's intervention in this matter is not warranted at this time.¹ We are confident that the district court will

resolve all pending matters as expeditiously as its calendar permits.

Accordingly, we

ORDER the petition DENIED.
