ORDER DISMISSING APPEAL

On January 20, 2009, this court entered an order granting appellant's request that the briefing schedule in this appeal remain suspended, pending finalization of the parties' settlement. In that order, this court gave the parties 30 days to file a stipulation or motion to dismiss this appeal or otherwise inform this court of this appeal's status. The January 20 order cautioned the parties that failure to comply with that order may result in the dismissal of this appeal as abandoned. To date, the parties have failed to file a stipulation or motion to dismiss the appeal or otherwise inform this court of the appeal's status. Therefore, we dismiss this appeal as abandoned.

It is so ORDERED.
