ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order directing the district court to resolve a motion for reconsideration, which has been pending in the district court for over 90 days. We have considered the documents submitted in this matter, and we conclude that this court's intervention in this matter is not warranted at this time.¹ We are confident that the district court will resolve all matters as expeditiously as its calendar permits. Accordingly, we

ORDER the petition DENIED.
