ORDER DISMISSING APPEAL

When appellant filed the notice of appeal, she did not submit the supreme court filing fee. See NRAP 3(f). Accordingly, this court issued a notice directing appellant to pay the filing fee. Further, the docketing statement was due to be filed within 15 days from the docketing of the appeal. See NRAP 14(b). As of the date of this order, appellant has neither paid the filing fee nor filed the docketing statement.

The settlement judge has filed a report indicating that the parties were unable to agree to a settlement of this matter. See NRAP 16. Accordingly, settlement proceedings are concluded.

<sup>1</sup> From a review of the limited record on appeal available at this time, it appears that the notice of entry of the order being challenged on appeal was served by mail on May 14, 2008. Thus, a notice of appeal was due to be filed in the district court by June 16, 2008. Appellant's notice of appeal was filed in the district on June 18, 2008, and thus appears to be untimely.

we grant respondent's unopposed motion and dismiss this appeal.<sup>2</sup> We admonish counsel for appellant for not complying with this court's procedural rules and notice regarding the filing fee and docketing statement. We caution counsel that such procedural derelictions in the future could result in imposition of monetary sanctions as well as referral to the Nevada State Bar.

It is so ORDERED.

<sup>2</sup> We note that appellant's failure to pay the filing fee and file the docketing statement constitute independent grounds for dismissing this appeal. See NRAP 14(c).
