ORDER DISMISSING PETITION FOR WRIT OF
MANDAMUS, PROHIBITION, OR CERTIORARI

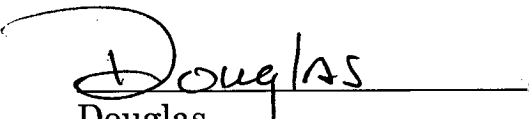

This original petition for a writ of mandamus, prohibition, or certiorari challenges a district court order awarding interim attorney fees in an inverse condemnation action. Petitioner also moved for a stay of the attorney fees judgment pending this court's consideration of the petition. According to the real parties in interest's August 5, 2008, supplement to their opposition to the stay motion, however, petitioner has since paid the full amount of the fee award, without reservation. Petitioner has not filed anything to contest the real parties in interest's supplement, which is

supported by a copy of petitioner's check. We therefore conclude that this petition is moot and

ORDER the petition DISMISSED.¹
