ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order directing the district court to lift a stay of proceedings and continue the trial proceedings in district court case number CR04-2074. We have considered the documents submitted in this matter, and we conclude that this court's intervention in this matter is not warranted.¹ We are confident that the district court will conduct further proceedings in district court case number CR04-2074 as expeditiously as the court's calendar permits. Accordingly, we

ORDER the petition DENIED.
