ORDER DENYING PETITION

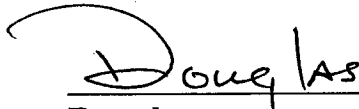

This original petition for a writ of mandamus or prohibition challenges the district court's denial of petitioner's motion in limine to preclude the State from presenting expert witness testimony during a hearing on petitioner's motion to suppress his statements to police or during trial and to preclude the State's expert witness from interviewing or examining petitioner. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of

extraordinary writ is warranted at this time. Accordingly, we deny the petition.¹

It is so ORDERED.
