CLERK OF SUPREME COURT  
BY  DEPUTY CLERK

ORDER DISMISSING APPEAL AND REMANDING

This is an appeal from a district court judgment in an inverse condemnation action. Eighth Judicial District Court, Clark County; Kenneth C. Cory, Judge.

Currently before this court is the parties' stipulation to remand this case to the district court for it to enter a condemnation order pursuant to the parties' purported settlement agreement. According to the parties' stipulation, once the district court grants the requested relief, the parties will file a stipulation to dismiss this appeal.

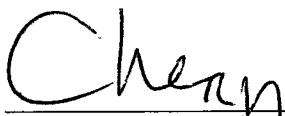

We construe the parties' stipulation as a motion to dismiss this appeal and remand the matter to the district court. We approve the stipulation, and we hereby dismiss this appeal and remand this matter to the district court. The appeal's dismissal is without prejudice to appellants' right to file a motion to reinstate the appeal should the district court decline to grant the requested relief.

It is so ORDERED.<sup>1</sup>
