ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order directing the State to refund money taken pursuant to his judgment of conviction for the payment of victim restitution. Petitioner noted that the judgment of conviction was reversed, and thus, he should receive a refund. We have considered the documents submitted in this court, and we conclude that this court's intervention in this matter is not warranted.¹ Petitioner should file his petition for a writ of mandamus in the district court in the first instance. Accordingly, we

ORDER the petition DENIED.
