ORDER DISMISSING APPEAL

On December 16, 1999, this court reinstated briefing, as the parties were unable to agree to a settlement of this appeal. This court further directed appellants to file a docketing statement and to comply with NRAP 9(a) by January 3, 2000. On January 21, 2000, this court again directed appellants to file a docketing statement and either a transcript request form or a certificate of no transcript request within 10 days or show cause why this appeal should not be dismissed as abandoned.

To date, appellants have failed to comply with the above-referenced orders. Accordingly, cause appearing, we hereby dismiss this appeal as abandoned.
