ORDER DISMISSING APPEAL

This is a proper person appeal from a district court judgment in a torts action. Eighth Judicial District Court, Clark County; David B. Barker, Judge.

On May 26, 2009, we entered an order granting appellant's counsel's motion to withdraw. We further directed appellant to either retain new counsel and cause counsel to enter an appearance in this court on appellant's behalf or inform this court if he did not intend to retain new counsel within 30 days of that order's date. Our May 26 order cautioned appellant that his failure to respond to our directive could result in the dismissal of this appeal as abandoned. A response to our May 26 order was due on June 25, 2009. To date, however, no response has been received. Accordingly, we conclude that appellant has abandoned this appeal, and we

ORDER this appeal DISMISSED.
