ORDER DISMISSING APPEAL

On March 8, 2001, we entered an order reinstating briefing after the parties were unable to agree to a settlement in this appeal. In that order, we directed appellants to comply with NRAP 9(a) within fifteen days of the date of that order and to file and serve a docketing statement.

Because appellants had not yet complied with our March 8, 2001, order, on May 1, 2001, we entered an order that again directed appellants file and serve a docketing statement and to comply with NRAP 9(a) within ten days of the date of that order. Further, we cautioned appellants that failure to comply timely with that order could result in the immediate dismissal of this appeal as abandoned.

To date, appellants have failed to comply with either our March 8, 2001, or May 1, 2001, orders. Accordingly, we dismiss this appeal as abandoned.

It is so ORDERED.
