ORDER DISMISSING APPEAL

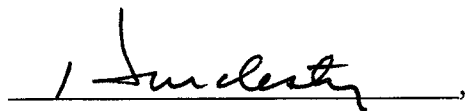

This is a proper person appeal from a purported decision of the district court denying a post-conviction petition for a writ of habeas corpus. Second Judicial District Court, Washoe County; Steven R. Kosach, Judge.

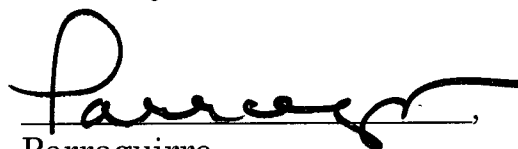

On October 2, 2008, the district court entered a written order granting in part and denying in part a post-conviction petition for a writ of habeas corpus. The district court granted appellant an evidentiary hearing on ground 1 of the petition and denied relief on grounds two through five.

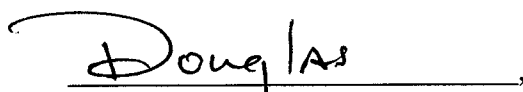

The notice of appeal in the instant case was premature as the district court had not entered a final order resolving the entire petition.

Appellant may file a notice of appeal from the final order resolving the petition.<sup>1</sup> Accordingly, we

ORDER this appeal DISMISSED.
