ORDER DISMISSING APPEAL

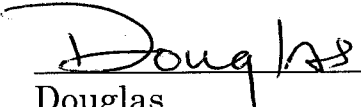

This is an appeal from a November 21, 2008, district court order dismissing appellants' counterclaims against certain respondents. Eighth Judicial District Court, Clark County; Elissa F. Cadish, Judge.

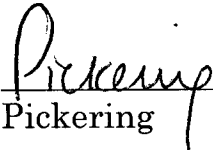

When our preliminary review of the docketing statement and the NRAP 3(e) documents revealed a potential jurisdictional defect, we ordered appellants to show cause why this appeal should not be dismissed for lack of jurisdiction. Specifically, it appeared that the district court had not entered a final written judgment adjudicating all the rights and liabilities of all the parties, and the district court did not certify its order as final pursuant to NRCP 54(b). Lee v. GNLV Corp., 116 Nev. 424, 996 P.2d 416 (2000).

Apparently in response to our show cause order, appellants filed a motion to voluntarily dismiss the appeal. Having reviewed the unopposed motion, we grant it and hereby

ORDER this appeal DISMISSED.<sup>1</sup>
