ORDER DISMISSING APPEAL

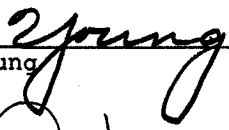

This is an appeal from a jury verdict. Specifically, on August 17, 1999, a jury found appellant guilty of one count of battery with the use of a deadly weapon, one count of battery with intent to commit sexual assault, one count of sexual assault with the use of a deadly weapon, and one count of sexual assault with the use of a deadly weapon with substantial bodily harm. Based on our review of the documents submitted in this appeal, it appeared that the district court had not yet sentenced appellant, nor had the district court entered a final, written judgment of conviction.

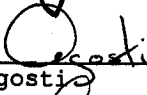

On October 1, 1999, this court ordered counsel for appellant to show cause why this appeal should not be dismissed without prejudice to appellant's right to file a

timely notice of appeal from the judgment of conviction after sentencing. Counsel for appellant has failed to respond to our order. Accordingly, we

ORDER this appeal dismissed.
