ORDER DISMISSING APPEAL

This is a proper person appeal from a third corrected, amended judgment of conviction. Second Judicial District Court, Washoe County; Brent T. Adams, Judge.

This court's review of this appeal reveals a jurisdictional defect. On November 6, 2008, the district court entered a third corrected, amended judgment of conviction due to a clerical error in the prior judgment of conviction. On November 26, 2008, appellant filed a notice of appeal from that judgment of conviction. Appellant has not demonstrated that he is an aggrieved party by the correction of a clerical error in the judgment of conviction. Accordingly, we

ORDER this appeal DISMISSED.
