ORDER DISMISSING APPEAL

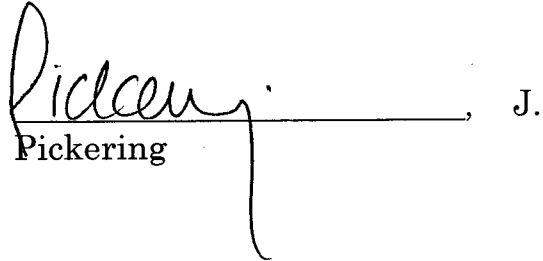

This is an appeal from an order of the district court granting respondent's motion to suppress evidence. On January 8, 2009, counsel for appellant filed a notice of withdrawal of appeal. We elect to construe the notice as a motion to voluntarily withdraw this appeal. In the motion, counsel for appellant advises that appellant understands the legal effects and consequences of voluntarily withdrawing this appeal, including that appellant cannot hereafter seek to reinstate this appeal, and that any issues that were or could have been brought in this appeal are forever waived. Having been so informed, appellant consents to a voluntary dismissal of this appeal.

Cause appearing, the motion is granted and we

ORDER this appeal DISMISSED.
