ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. Petitioner seeks an order directing the district court to consider his September 22, 2008 petition for a writ of habeas corpus and his additional proper person filings without any further delay. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims, we decline to exercise our original jurisdiction in this matter. NRS 34.160; NRS 34.170. We are confident that the district court will resolve all pending matters as expeditiously as its calendar permits. Accordingly, we

ORDER the petition DENIED.
