ORDER DISMISSING APPEAL

This proper person appeal challenges an order of the district court affirming and adopting the master's findings and recommendations concerning child support and arrears. Having reviewed the record on appeal, we conclude that the district court did not abuse its discretion. See NRS 125B.070(1)(b) (setting child support for two children at twenty-five percent of an obligor's gross monthly income subject to a cap of \$500.00 per month per child); NRS 125B.080(4) (providing that the minimum amount of child support that the court may award is \$100.00 per month per child); Wallace v. Wallace, 112 Nev. 1015, 922 P.2d 541 (1996) (noting that matters of child support are within the discretion of the district court). Accordingly, we

ORDER this appeal dismissed.
