ORDER DENYING PETITION

This is a proper person petition for extraordinary relief labeled, "a writ of coram nobis." Petitioner requests this court review the order entered in Bacon v. State, Docket No. 46576 (Order of Affirmance, April 6, 2007). Petitioner argues that this court did not thoroughly review his claim that his due process rights were violated when he was attired in jail house clothing and seen in shackles in front of the grand jury. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims, we decline to exercise original jurisdiction in this matter. Accordingly, we

ORDER the petition DENIED.
