This is a proper person appeal from an order of the district court denying appellant's "motion for sentence reconsideration."<sup>1</sup> Eighth Judicial District Court, Clark County; Jackie Glass, Judge.

Because of the nature of relief sought, the motion is correctly construed as a motion to modify or correct sentence. Edwards v. State, 112 Nev. 704, 708, 918 P.2d 321, 324 (1996). Appellant's sentence was facially legal, and appellant failed to demonstrate that the district court was not a court of competent jurisdiction. Id.; see also NRS 201.230; NRS 193.330. <sup>2</sup>We note, however, that appellant's judgment of conviction improperly lists the crime of "attempted lewdness with a child under the age of 14" as a violation of "NRS 210.230, 193.330." The correct citation for the crime of attempted lewdness with a child under the age of 14 is "NRS 201.230; NRS 193.330." Therefore, we order the district court to enter an amended judgment of conviction reflecting the correct statute.
