ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus. It appears that petitioner argues that there was not probable cause to prosecute him, his guilty plea was coerced, his trial counsel was ineffective, and the district court erred in denying his motion to withdraw his plea. We have reviewed the documents submitted in this matter, and without deciding upon the merits of any claims, we decline to exercise original jurisdiction in this matter. NRS 34.160; NRS 34.170. Accordingly, we

ORDER the petition DENIED.
